

Ulem:

`\sout{striked out text}` renders ~~striked out text~~

`\xout{crossed out text}` renders ~~crossed out text~~

Cancel:

`\cancel{canceled text}` renders canceled text

`\bcancel{b-canceled text}` renders ~~b-canceled text~~

`\xcancel{x-canceled text}` renders ~~x-canceled text~~

`\cancelto{<value>}{<expression>}` renders ~~expression~~^{value}

Cancelto also works with more complicated expressions:

`\cancelto{\frac{num2}{den2}}{\frac{num1}{den1}}` renders ~~$\frac{num1}{den1}$~~ ^{$\frac{num2}{den2}$}
